To All Interested Coaches,

The Orchard Park Starz Travel Softball Organization is seeking coaching applicants for our 2019 travel season. Tryouts will be held the first week of August. Our organization is dedicated to teaching the game of softball through patience, guidance, and mentorship. We have a strong developmental program that introduces our athletes to travel softball at ages as young as eight years old. We strive to develop these young athletes into confident, strong, and independent young women. Solid fundamentals, a positive attitude, hard work, teamwork, and respect are the cornerstones of Orchard Park Starz Travel Softball.

Coaches will be asked to provide families with expectations for the season as far as practices and games, as well as, a budget for the season. Our leadership will provide new coaches with all information necessary to operate as a travel coach in Western New York, including details on obtaining insurance, league participation, tournament information and more.

If you would like to be considered, please print the second page of this document, fill it out and return to me via email.

Thank you,
